

Course Schedule - Fall 2005

Curriculum and Instruction

335 **Content Area App of Educ Tech** Credit: 1 hours.

(C & I 235) Course will explore a wide range of educational technologies, investigating in detail those that can be effectively integrated into the full range of content areas in education. Course will cover the use of distributed information servers, multi-media collaborative network applications and other advanced instructional technologies to support learning and teaching. Approved for S/U grading only. Prerequisite: EPS 201, EPSY 236 or equivalent; admission to Elementary or Secondary Teacher Education Program.

Students must register for one lab-discussion and one lecture section.
