

# Course Schedule - Spring 2006

## Accountancy

### 515 **Auditing & Assurance Standards** Credit: 4 hours.

Role of professional and ethical standards in the conduct of auditing and assurance services and the role of auditing and assurance services in corporate governance. This course selectively surveys both academic and professional literature to focus on the conduct of auditing and assurance services. Cases, class discussion and research projects emphasize the importance of independent thinking, group processes, and communication for professional accounting practice. Prerequisite: ACCY 405 and enrollment in the BS/MS in Accountancy program or consent of department.
