

Course Schedule - Spring 2006

Chemical and Biomolecular Engineering

599 **Thesis Research** Credit: 0 to 16 hours.

Candidates for the master's degree who elect research are required to write a thesis. A thesis is always required for the Doctor of Philosophy. Not all candidates for thesis work necessarily are accepted. Any student whose major is in another department must receive permission from the head of the Department of Chemical and Biomolecular Engineering to register in this course. Approved for S/U grading only.
