

Course Schedule - Fall 2007

Urban and Regional Planning

478 **Community Development Workshop** credit: 6 hours.

Application of community development principles and techniques to the solution of environmental, economic and social problems facing low income urban communities. Participants collaborate with neighborhood leaders to produce stabilization plans promoting business development, job generation, housing improvement and municipal service delivery. Involves small group projects and off-campus field work. Prerequisite: Graduate standing, or completion of UP 347, or consent of instructor.
