

# Course Schedule - Spring 2007

## Agricultural Education

### 250 ***Observation and Program Analysis*** Credit: 2 hours.

Early field experience in agricultural education, including observation and analysis activities in public schools, extension programs, or other selected settings; participation in clinical field experience activities; examination of educational program development and operation, teaching and learning processes, contextual factors in learning, evaluation of student learning; and professionalism. Approximately 45 hours of early field experience will be acquired. Off-campus observation begins the first week of January. Agricultural education programs in both school and non-school settings are examined. Prerequisite: AGED 220.

| CRN   | Type               | Section | Time                | Days | Location             | Instructor  |
